

A Simple Web Based Time Clock Solution

**2018 New Generation Reader. Setup is easy**, just connect to your network using either the **Ethernet or Wi-Fi** connection, then begin registering employee **fingerprints** or **badge numbers** & they are now ready to clock in and out. Simple-to-understand written instructions included; live phone assistance always available at no charge.

With a NEW reader shipping is included at no charge within the continental US. Please allow 2-4 business days for delivery when placing an order.

There is a 1 year warranty on all readers from the date of purchase, against manufacturer's defects. Shift 2 Work offers free technical support to help troubleshoot the issue to determine whether repair or replacement of the malfunctioning reader is required.

**Questions?** Please visit our web site, [www.shift2work.com](http://www.shift2work.com) or call us anytime at **405.823.4842** for more information.

**Badges and Key Fobs**
